With a strong foundation in computer science, I am passionate about leveraging technology to solve complex problems and create business solutions. My academic background and hands-on experience from an internship have equipped me with valuable insights into business operations and technology integration. While I am still developing my expertise in data science, I am committed to continuous learning and growth in this area. I aim to contribute innovative solutions that align with business objectives, with a focus on both software development and advancing my knowledge in data science.

EXPERIENCE

Team Leader, SIDEWALKS GROUP   **October 2022 – May 2025**

- Leadership and Team Management – Lead and motivate the team, set clear goals, and encourage teamwork
- Time Management – Organize and prioritize tasks efficiently to ensure smooth store operations and meet deadlines.
